DECO Class 2

Insulated Electrical Gloves – 17,000V Rated

Description:

For high-voltage work where safety is non-negotiable, DECO Class 2 insulated electrical gloves provide superior protection up to 17,000 volts.

Designed for professionals in demanding electrical environments, these 360mm (14") and 410mm (16”) gloves are made from premium latex rubber and meets the EN/IEC/AS 60903 and ASTM D120 international standard.

Product Code	E17000360, E17000410 (Straight Cuff) / E17000360B, E17000410B (Bell Cuff)
Standard	EN/IEC/AS 60903 / ASTM D120
Thickness	2.30mm
Colour	Black with Orange Cuff
Size	7–12 (Half sizes available for ASTM D120, except 7½) 7–12 (Half sizes available for EN / IEC 60903, except 7½)
Length	360mm (14”), 410mm (16”)
Cuff Style	Straight and Bell Cuff Design
Weight (g) / pair	Approx. 408 – 550 (depending on size, length and cuff style)

Benefits:

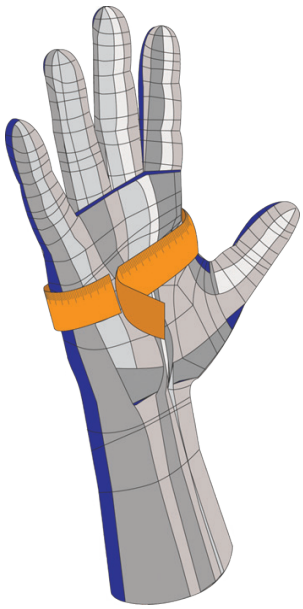

- ***EN/IEC/AS 60903 & ASTM D120 Certified*** – Meets international standards
- ***Premium Latex Rubber*** – Flexible and comfort
- ***Black with Orange Cuff Design*** – High-visibility orange cuff enhances visibility, while the contrasting color scheme helps detect damage
- ***Straight Cuff Design*** – Comfortable fit, ideal for use with leather protectors’ gloves
- ***Bell Cuff Design*** – Enhances mobility over layered PPE with better ventilation

Recommended use:

- High-voltage electrical servicing and installations
- Utility infrastructure and substation maintenance
- Industrial plant electrical systems and safety-critical operations

DECO Class 2

Insulated Electrical Gloves – 17,000V Rated

Advantage

Each glove is marked with an electrical testing date along with a serial number which is unique to each individual piece. This allows us to trace the gloves to their production batches and to quickly address any quality issue that arise.

Which Gloves Size Is Right For Me?

DECO recommends the 'Palm Measurement' where you measure the circumference around the palm to determine the size of the glove. This would equate to the probable size of glove to select. Personal preference for tightness and finger length will ultimately determine the glove size that is deemed most comfortable. Allow for addition room if glove liners to be worn.

Sizes	7	8	8½	9	9½	10	10½	11	11½	12
Palm Circumference Measurements	178mm	203mm	216mm	229mm	241mm	254mm	267mm	279mm	292mm	305mm

Tolerance: ± ***13mm***
