DECO Class 1

Insulated Electrical Gloves – 7500V Rated

Description:

When working with high-voltage systems, safety and durability are non-negotiable. DECO's Class 1 insulated electrical gloves are rated up to 7500 volts and meets the EN/IEC/AS 60903 and ASTM D120 international standard.

These 360mm (14") and 410mm (16") gloves are made from premium latex rubber and feature a black body with a high-visibility orange cuff, providing both professional appearance and enhanced job-site awareness.

Engineered for electrical professionals in utilities, infrastructure, and renewable energy sectors, these gloves offer dependable protection without compromising on flexibility or comfort.Available in sizes 7 to 12.

Product Code	EO7500360, EO7500410
Standard	EN/IEC/AS 60903, ASTM D120
Thickness	1.50mm
Colour	Black with Orange Cuff
Size	7–12 (Half sizes available for ASTM D120, except 7½) 7–12 (Half sizes not available for EN / IEC 60903)
Length	360mm (14"), 410mm (16")
Cuff Style	Straight
Weight (g) / pair	Approx. 250 – 400 (depending on size, length and cuff style)

Benefits:

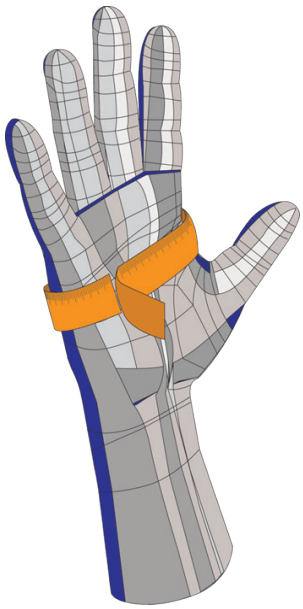

- ***EN/IEC/AS 60903 & ASTM D120*** – Meets international standards
- ***Premium Latex Rubber*** – Flexible and comfort
- ***Black with Orange Cuff Design*** – High-visibility orange cuff enhances visibility, while the contrasting color scheme helps detect damage more easily.
- ***Straight Cuff Design*** – Comfortable fit, ideal for use with leather protectors' gloves

Recommended use:

- Built for high-voltage utility and substation operations
- Industrial electrical infrastructure and control systems

DECO Class 1

Insulated Electrical Gloves – 7500V Rated

Advantage

Each glove is marked with an electrical testing date along with a serial number which is unique to each individual piece. This allows us to trace the gloves to their production batches and to quickly address any quality issue that arise.

Which Gloves Size Is Right For Me?

DECO recommends the 'Palm Measurement' where you measure the circumference around the palm to determine the size of the glove. This would equate to the probable size of glove to select. Personal preference for tightness and finger length will ultimately determine the glove size that is deemed most comfortable. Allow for addition room if glove liners to be worn.

Sizes	7	8	8½	9	9½	10	10½	11	11½	12
Palm Circumference Measurements	178mm	203mm	216mm	229mm	241mm	254mm	267mm	279mm	292mm	305mm

Tolerance:* ± *13mm
